It is time to order the
**Puget Sound Media Directory
2007-2008**

The region's most comprehensive list of news media, detailing more than 500 newspapers; business, special-interest, trade and online publications; news bureaus; and television and radio stations. Includes beats, programs and direct contact information for thousands of key editors, reporters and producers. An excellent resource for individuals wanting to raise the profile of their company, organization, product, service, issue or event through the region's media.

CD (Excel): \$39.95

(Price includes tax, postage and handling)
